

Shell Egg Academy

www.shelleggacademy.org

Dates: September 1-3, 2026

Times: Starts daily at 8:00 a.m.

Location: Purdue University's Beck Agricultural Center, West Lafayette, Indiana

The 2026 In-Person Shell Egg Academy (SEA) is an advanced egg production and processing education opportunity that focuses on egg quality and egg safety information. We offer a highly interactive experience and unparalleled networking with government agencies (USDA-AMS, USDA-ARS, and FDA) as well as academic institutions and other egg companies.

2026 SEA offers:

- Hands-On Learning: Expert presenters, interactive workshops, and more.
- Networking: Build deeper connections through face-to-face interactions during sessions, breaks, and special evening events.
- Immersive Environment: Benefit from focused, distraction-free participation - all at Purdue University in West Lafayette.
- Swag Bags and Resource Materials: We provide the tools you need to succeed - plus we like to have fun!

The general schedule is as follows:

- September 1 - SEA runs 8 am - 5 pm (including breakfast and lunch) plus an evening reception & dinner for all participants
- September 2 - SEA 8 am - 5 pm (including breakfast and lunch; evening dinner on your own)
- September 3 - 8 am - Noon (including breakfast)

Registration Fees:

Individual (employee of egg company) - \$1,000

Government & Academic Individual rate - \$850

Student rate - \$350

Your registration fee includes 3 breakfasts (September 9, 10, 11) and 2 lunches (September 9 and 10) along with a networking reception and dinner on September 9, a SEA Experience Bag, an Egg Regulations guidebook, any printed coursework as needed, and digital access to speaker slide decks after the academy unless otherwise restricted by speaker(s)
